'I was very pleased to see how engaged some of the reluctant children were in the activity. The response of the children was excellent, which could mainly be seen in the lack of behavioural issues. ...I definitely plan to continue taking my class outdoors for lessons.' Hartside Primary School.

'Learning wasn't happening with this class indoors but outdoors it is definitely happening!' Croft Community School

'Children's comments included "This is the best lesson I've ever had!"' Riverside Primary School
