

Bespoke School Sessions in Hamsterley Forest 2016

Schools are invited to liaise with the **OASES** staff to tailor make their own leader led curriculum linked sessions in Hamsterley Forest! Suggestions for bespoke sessions include:

Reception Children:

- 🌿 **Sensory Exploration**
(Experience the sights and sounds of the forest)
- 🌿 **Stick Man Excitement**
(Develop your children's imagination through the use of a stick!)
- 🌿 **Superworm Trail**
(Investigate the Superworm and create your own magic in the woodland)
- 🌿 **Gruffalo Discovery**
(Come to find the Gruffalo in the deep dark wood)

Primary Children:

- 🌿 **Environmental Art and Crafts**
(Use the natural environment to create sculptures and pictures)
- 🌿 **Tree Identification**
(Can you identify the different trees throughout the wood?)
- 🌿 **Woodland Myths and Legends**
(Explore the woodland looking at the myths surrounding the different trees)
- 🌿 **Rainforest Survival Day**
(Learn about the layers of the rainforest and become an explorer developing survival skills)
- 🌿 **Minibeast and Wildlife**
(Come and find the minibeasts in the woodland and see how they look, explore the wildlife of Hamsterley)
- 🌿 **Woodland Maths Challenges**
(Apply mathematical knowledge to solve problems in the woodland)
- 🌿 **River Studies**
(Looking at the flow, function and features of the river Bedburn)
- 🌿 **Trails and Tales**
(Map work, setting and following trails in the forest to reveal a story)
- 🌿 **Team Building Challenges**
