~~Dear~~

Dear Emma and the team,

I am writing to say I had an amazing time at the seaside.

My favourite part of the trip was when we drank the hot chocolate and ^{get} eat the dilishos sticky marshmallows.

It was very cold and I like when we smashed our rocks it was very hard.

~~If~~ I come again I would want to learn more about the stone age. I would like to visit a cave to if I come. I thort that we might look for some thing what the stone age people might of

used. Yours sincerely

Olivia
