

24. 02. 15

Dear Emma and the team,

I would like to thank you for

all the fun things at Seaham.

The best thing I liked was

building dens because I could climb

rocks and the funny part was my

team's den fell down. If I came

again I would do den building and

boast the lovely marshmallows again.

I liked sharpening the flint and

making the little stone villages.

Yours sincerely

Molly
