Dear Emma and the Teams

Thank you for my amazing day  
at Seaham. I enjoyed toasting marshmallows,  
making shelters and making stone cities.  
I had a fab day with you and  
the team. We had hot chocolate  
when I finished I had a chocolate  
moustache, when we smashed the  
flint and rubbed it with sand stone  
and smooth stone. It was windy  
and cold but I enjoyed it  
thank you again for every thing  
it was amazing it was the  
best trip in the world.

best job ever!!!!

Yours sincerely

Alfie
