Dear Emma and the team. I'm writing to you to say thank you for teaching us lots of different things. It was so fun I enjoyed ~~the~~ ~~favorite~~ ~~part~~ ~~was~~ ~~when~~ ~~we~~ ~~had~~ the delicious marshmallows and the hot chocolate. It was the best school trip in the whole universe. ~~It was~~ ~~my~~ ~~favorite~~ ~~part~~ was when we went to Wacky Spits I loved my chocolate Ice-cream it was the best. Next time we go to Wacky Spits I think we should get some different ~~pieces~~ ~~of~~ ~~Ice-cream~~. I liked my much ~~as~~ ~~well~~ Mrs Bradley's ~~marshes~~ are the best. Love

I liked when bobby tecket us  
How to make a flame on the first  
stick I found that very interesting. I  
liked when you got a big stone and  
your first one and get a massive  
heavy stone and dropped it on your  
little first and you get a really  
smooth stone and get your first  
and shaped it across the smooth  
stone and made it you kind and  
were going to make a display  
out of them and get a stick and  
some string and tie them all together  
and make a cave wall as we  
have all really done cave paintings  
and were going to make it look  
like a big stone age wall.  
your sincerely Poppy.
