Dear Emma and the team

I would like to say thank you very
much I enjoyed our trip. I loved toasting
marshmallows and building dens. I liked
doing the timeline and doing our
tribe name come hunters and getting
into groups. But it was windy
at Seaborn don't you think. We all
had a lovely time at the beach
your team were excellent do you get
warmed up by the fire because I
did and I enjoyed all of it
even lunch time I had fun
all morning I wished we would
do it again but I now I
did not get my hot
chocolate but we still had marshmallows

Still I loved it alot and when we
did the littel Stone age things and
doing Flint and still and doing
the big rocks on the Beach
I had Fun .

Yours Sincerely

Chloe
