

# The Harehope Quarry Project

## Teachers' courses 2016

### **Making the most of natural materials – Willow**

**Tuesday 22 March, 10.00am – 4.00pm**

This day is aimed at anyone working with children or young people – teachers, youth workers, playgroup leaders or parents. The workshop will provide a brief introduction on how natural materials can be used to enhance the curriculum and all you need to know about growing and using willow. The rest of the session will be hands-on and you will make your own simple willow projects that can be repeated with groups. Refreshments provided but bring a packed lunch. **£90**

### **Making the most of natural materials – Wool**

**Tuesday 5 July, 10.00am – 4.00pm**

This day is aimed at anyone working with children or young people – teachers, youth workers, playgroup leaders or parents. The workshop will provide a brief introduction on how natural materials can be used to enhance the curriculum and all you need to know about sourcing and using wool. The rest of the session will be hands-on and you will make your own simple wool and felted products projects that can be repeated with groups. Refreshments provided but bring a packed lunch. **£90**

### **Making the most of natural materials – Sticks, leaves mud and berries!**

**Tuesday 27 September, 10.00am – 4.00pm**

This day is aimed at anyone working with children or young people – teachers, youth workers, playgroup leaders or parents. The workshop will provide a brief introduction on how natural materials can be used to enhance the curriculum and all you need to know about using a variety of materials that can be found in the natural environment. The rest of the session will be hands-on and you will make your own simple projects that can be repeated with groups. Refreshments provided but bring a packed lunch. **£90**

These workshops are run in partnership with OASES, Abundant Earth and Ellie Langley from Slack House

**Booking is essential for all events through OASES:**
